Report on the Financial Statements

## Management's Responsibility for the Financial Statement and for Internal Financial Control over Financial Reporting

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act as applicable. This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding for the assets of Company and for preventing and detecting the frauds and other irregularities, selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement. Whether due to fraud or error.

The Company's management is responsible for establishing and maintaining internal financial controls based on the "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

## Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit and to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act and the Guidance Note on audit of Internal Financial Controls over Financial Reporting. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement and whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosure in the financial statements and adequacy of the internal financial controls over financial reporting and their operative effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error in making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements and qualified opinion on Company's internal financial controls over financial reporting.

## Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail accurately and fairly reflect the transactions and disposition of the assets of the company; (2) provide reasonable assurance that transaction are recorded as necessary to permit preparation of Financial Statement in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitation of Internal Financial Controls Over Financial Reporting

Because of the inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Opinion

In our opinion and to the best of our information and according to the explanations give to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India.

#### c. System of Accounting

The company follows mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties.

Financial statements are prepared under historical cost convention. These costs are not adjusted to reflect the impact of changing value in the purchasing power of money.

#### d. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/(loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financial activities of the company are segregated based on the available information.

#### Cash and cash equivalents (for purpose of Cash Flow Statement)

Cash comprises cash in hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

#### f. Fixed Assets

Fixed Assets are stated at cost less accumulated depreciation and impairment loss, if any. Cost comprises of purchase price and any directly attributable cost of bringing the assets to its working condition for its intended use.

#### g. Cash and Cash Equivalents

Cash and cash equivalents include cash in hand, demand deposits with banks, other short-term highly liquid investment with maturities of less than 12 Months.

#### h. Revenue Recognition

Revenue is recognized on completion of services to the user. The amounts where quantum of accruals can not be ascertained with reasonable certainty, are accounted on acceptance basis.

Claim of arrear bits on account of wage revision etc. are accounted for as and when claimed.

Interest and other items are accounted on accrual basis, except interest on refunds from statutory authorities and those which are not reasonable certain of realization, which are recognized on cash basis.

interest on saving bank accounts has been accounted for as and when received/credited by banks.

Gains and losses on disposals of fixed assets, whose value have not been taken in the books of accounts, are credited/debited to revenue accounts of the relevant year.

#### . Depreciation and Americation

Effective 1st April, 2014, the Company depreciates its fixed assets over the useful life using Straight Line method, in the manner prescribed in Part C of Schedule II of the Companies Act 2013 as against earlier practice of depreciating at the rates prescribed in the Schedule XIV of the Companies Act, 1956.

The life of Software has been estimated as three years.

Depreciation on additions to assets or on sale/ disposal of assets is calculated pro-rate from the date of such addition or up to the date of such addition or up to the date of such sale/disposal as the case may be

#### k. Impairment

An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value being higher of value-in-use and net setting price. Value-in-use is computed at net present value of cash flow expected over the balance useful life of the assets. An impairment loss is recognized as an expense in the Profit and Loss Account in the year in which an asset is identified as impaired. The impairment loss recognized in prior accounting period is reversed if there has been an improvement in recoverable amount.

#### . Employee Benefits

#### Short term employees benefits

All employees' benefits payable wholly within 12 months of rendering service are classified as short term employees benefits. Benefits such as salaries, wages and short term compensated absences etc. and the expected cost of bonus/ex-graba are recognised in the period in which the employee renders the related services, except in case of employees rendering services to clients and reimbursed by them, which are accounted as and when determined and acknowledged by respective service receiver.

#### Defined Contribution Plans

#### Employee's Provident Fund and Family Pension:

The Company has Defined Contribution Plan for Post-employment benefits in the form of provident fund and family pension for all sligible employees, which is administered by the Regional Provident Fund Commissioner. The company has no further obligation beyond its monthly contributions.

#### Defined Benefit Plans

#### Gratuity

The amount of gratuity payable to ex-service men employed for staffing and security services is calculated on the basis of guidelines issued by Director General Resettlement, New Deihi. This is accounted and paid on monthly basis and claimed from clients.

The amount of gratuity payable to other staffs of the Corporation is recognised as per provisions of the Payment of Gratuity Act. 1972 at per acclunal valuation by Life Insurance Corporation of India.

#### Compensated Absences:

Liability for unavailed compensated absences to ex-service men employed for security and technical services is determined every month and paid alongwith monthly salary. There is no liability on this account as at the Balance Sheet date.

Liability for compensated absences to regular staffs is provided on estimated basis of unavailed accumulated leave as at the Balance Sheet date at the current sasary rate and is charged to Profit & Loss account.

#### Terminal Benefits:

Terminal benefits are recognized as expense during the year, in which services are terminated.

#### m. Prior Period items and extra ordinary Itams.

Prior Period items and extra ordinary items are seperately classified, identified and dealt with as required under Accounting Standard 5 on 'Net profit or loss for the period, Prior period items and change in Accounting policies as notified under the Companies (Accounting Standards) Rules, 2006.

#### Notes to Financial Statements

#### n. Taxation

Provision for current income tax is made in accordance with local laws. Deferred tax liabilities and assets are recognized at substantively enscred tax rates, subject to the consideration of prudence, on timing difference.

Deferred Tax assets and liabilities resulting from timing differences between book profits and tax profits are accounted for under the liability method and measured at substantially enacted rates of tax at the balance sheet date to the extent that there is reasonable/ virtual certaininty that sufficient future taxable income will be available against which such deferred tax asset/ virtual liability can be realised.

#### o. Earnings per altare

Notes to accounts:-

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

#### p. Provisions, Contingent Liabilities and Contingent Assets

Provision is recognized when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. Disclosure for contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. No provision is recognized or disclosure for contingent liability is made when there is a possible obligation or a present obligation and the likelihood of outflow of resources is remote. Contingent Asset is neither recognized nor disclosed in the financial statements.
